We'd like to get your feelings toward some of our political leaders and other people who are in the news these days. You'll see the name of a person, and we want you to rate the person using a feeling thermometer.

Ratings between 50 and 100 degrees mean that you feel favorable and warm toward the person, ratings between 0 and 50 mean that you don't feel favorable toward the person or don't care for the person.

You would rate the person at the 50 degree mark if you were indifferent.
